I am a seasonal resident and will not be back before you finish your installations. What should I do when I am ready to return?

Seasonal residents can be installed when they return. Simply call your Blue Stream Fiber Community number 954-332-7465 seven days prior to your arrival.

I am a seasonal customer. Do you have seasonal rates to put my optional phone service on hold at a reduced rate?

We do offer seasonal service rates for additional services added above your HOA included services. For phone, the seasonal rate is \$6/month plus taxes and fees. Seasonal residents are able to put services on hold once a year for 2 - 9 months.

Installation Experience

What will you be doing during my install?

Our technicians will install your services and any additional services you requested. On average, the installation will take anywhere from 3-4 hours per home to complete. This will include the set-up of your wireless devices as well as the programming of your remote controls. Moreover, we will provide an in-home training experience on how to use your new equipment and services.

Where will your equipment be located in my home?

The Blue Stream Fiber Wireless ONT will be located at a central location in your home and/or where your previous modem/router was located. Set-Top boxes will be placed in the same location where your televisions are located.

Another example of this would be if you experienced service issues related to faulty internal wiring in your home. In a similar way, there would be no charge to replace or repair that faulty Blue Stream Fiber wiring. For service requests or needs outside of the above, there is a \$99 fee per home visit.
